I work with 7 schools to find out which AMERICAN LEGION they needed to get in touch with. then i had 2 Legion Posts with problems about who had which schools . Had 1 Post Chairman i could never get to answer e-mails or phone calls. Everything was going great until Covid-19 came along. I want every Post Boys State Chairman to know if i call you please have the courtesy to return my call. I spent 50 hours calling people and answering questions they had about Boys State. This was a very trying year. Hope to never have another like this.

Robert Yowell

16 District Chairman for Boys State
